## JOHN A. MARTIN, Secretary pro tem. THE REPUBLICAN CLUB.

As will be seen by reference to another column, a republican club has been organized in Wichita. Something more than one hundred and twenty-five names have been added to the roll, of such men as believe in the doctrines of the great republican party; who believe that in its maintenance alone will peace and prosperity be preserved in the nation. The club has raised the old flag on the republican ramparts; a banner that has inscribed upon its folds emancipation, human liberty, rights to all men, honor to patriots, the payment of an honest national debt, peace and Grant and Wilson. Wichita is all right. Those who think that a majority of the men of Wichita and Sedgwick county are going to cutrust the great interests and hankerer after Vic.
